Re: Donation in Memory of Mr. Smith

Dear Friends of Florence,

To sum up PT's impact on his community is a task that not even the most eloquent of philosophers or poets could do justice to. His kindness and forward thinking compassion will be remembered for many years to come. We feel blessed to have been known him, as well as having been able to be a small part of his vision to help ease cancer patients' worries.

We have enclosed a donation in his memory/honor.

Safe Travels PT, Safe Travels.

Sincerely,

*The Oregon Urology Foundation*
