

Friends of Florence

"Your Friends"

November 15, 2010

Terry FitzPatrick
Administrator
Oregon Urology Institute
2400 Hartman Lane
Springfield, Oregon 97477

Dear Terry:

All of us connected with The Friends of Florence want to thank you and the Oregon Urology Institute for your very generous donation of \$10,000.

As we approach the end of our 25th year of service driving the cancer patients from the Florence area to Eugene/Springfield for radiation treatment, we give thanks for the generous donations which have enabled us to continue to provide this service. We all feel privileged to be a part of The Friends of Florence. When the Oregon Urology Institute opened its doors at the Springfield Radiation Center we were pleased that we had the capacity to provide transportation to your facility.

Again The Friends of Florence thank you for your continued support.

Sincerely,

P.T. Smith
President
