We thank you for the \$1,000.00 donation that you made to The Friends of Florence to honor the memory of P.T. Smith. Almost daily we give thanks for the wonderful support we have received from your Foundation. This kind of support is a reminder of why we call our service The Friends of Florence.

We are very proud and pleased that over the past 27 years we have transported thousands of cancer patients over a million miles from Florence to Eugene/Springfield and home again at no cost to them. We are able to provide this vital service because of the donations we receive. You obviously understand our mission and for that we are grateful.

Again we thank you.

Sincerely,

Daniel S. Clements
